Langley Responds to Election Results: Putnam County Voters Made Themselves Heard

PHILIPSTOWN—Yesterday, record numbers of Putnam County residents went to the polls, and it appears that we have won an historic victory. Voters sent a clear message that we need a Sheriff with integrity, and one worthy of trust. I am honored and humbled by the trust you have placed in me.

All of Putnam County deserves Sheriff's Deputies who are accessible members of our communities. All of Putnam County deserves to feel safe and protected by County law enforcement regardless of political persuasion.

Like the majority of voters who cast ballots yesterday, I am eager for the final results of this election. I have great respect for our democracy, and believe it is important that every voter who took the time to cast a ballot, including absentee ballots, have their vote counted. I am confident that we have won this election. We will turn the page to honest policing in Putnam County, and together we will return integrity to the Office of Sheriff.
